Many have been asking who pays for all of the activities and other expenses throughout the month concerning our Vet's activity pursuits.

Donations to the Veterans War Chest finances our field trip expenses, helps pay for monthly dining experiences from local restaurants, and money for prizes for some of our activities and tournaments which helps provide the vets with pop/candy/walking around money. Donors are local organizations, businesses, individuals, and families. Most of our donors contact us through the FOTCVC. (bellard@odva.state.ok.us 918 342-5432x292 cell 918 397 2109)

Make checks payable to CVC "Veterans donated funds".
